**READ THE FOLLOWING MESSAGE FROM THE RIVER OAKS  
COMMUNITY ASSOCIATION MANAGER.**

Good Afternoon,

My name is Lisa Stewart and I am the General Manager of River Oaks Community Association. I am contacting you to ask for your assistance regarding a matter of safety and concern of our residents. At the RO Board Meeting held Tuesday October 16th, we had residents voice frustration and concern regarding the illegal parking of vehicles within the community during afternoon pickup. It has been reported that excessive honking occurs in addition to blocking of driveways and illegally parked vehicles. If you would kindly remind parents to be respectful of the residents and parking regulations we would greatly appreciate it. We are also going to enlist the help of our courtesy patrol in an effort to control the situation the best that we can. Please let me know which option would work best for you so that I may report back to the Board of Directors. Thank you in advance and I look forward to hearing from you.

The areas of concern are Glenriver Way, McGuffeys Court, McGuffeys Trail, Powells Creek and Winston Lane. Thank you for your assistance.

Kindest Regards.
