### New Bell Times Beginning February 23

8:45 AM – 2:55 PM

### Update on return to in-person plan:

On Tuesday January 12, the School Board passed a motion by Chairman Babur Lateef and seconded by School Board Member Jennifer Wall (Gainesville), to delay for an additional month the proposed return dates for all students above the second and third grade level from the dates adopted by the School Board in October. The School Board did not implement the plan provided by the Superintendent on January 6.

As such, under the School Board-developed plan, the following will be implemented:

**\*4<sup>th</sup>, 5<sup>th</sup>, 6<sup>th</sup> and 9<sup>th</sup> grades will now start in-person for House A on February 25 and House B on February 26.**

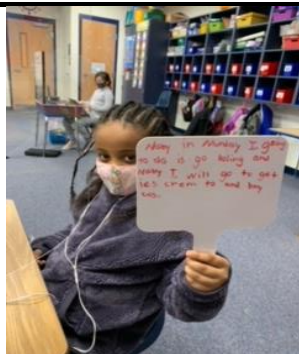

**\*7<sup>th</sup>, 8<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup> and 12<sup>th</sup> grades will now start in-person for House A on March 2 and House B on March 3.**

**\*All bell schedules, including virtual only students will change effective February 23.**

Specific bell times and bus schedule for each school will be shared as soon as available.

The Board further directed that information regarding the feasibility of these new dates be provided by the Superintendent at its February 17, 2021, Board Meeting.

In the interim Superintendent shall retain the authority to take such measures as he considers necessary to protect the health of students and staff, including measures needed to respond to the impact of the pandemic on individual schools.
